Pesticide Tolerances in the European Economic Community by Carlos Kampmeier	Nov. 17	
Safe Use of Modern Pesticides by Louis Lykken	Aug. 14, Sept. 35, Oct. 38	
Thuricide 90-T-Biotic Agent for Gypsy Moth Control	Apr. 86B	
What's New In Agricultural Chemicals?	Mar. 21	

### Public Relations

Florida Chemical Communication Pilot Project by C. T. Woods	Nov. 31
Pesticides and Public Relations by P. C. Minter	Oct. 20
Pesticides and the Environment by L. A. McLean	Feb. 19
Pesticide Safety Education	Sept. 28

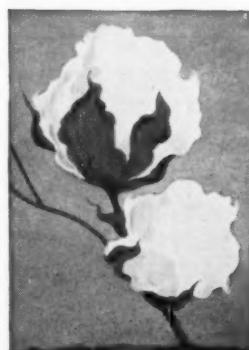

### Raw Materials

Chicora Mine—New Phosphate Source	Mar. 24
Sulphur Outlook	Nov. 34
Sulphur Shortage Continues as Demand Exceeds Production	Mar. 74
Where Does All the Copper Go? by C. K. Allen	Mar. 18
World-Wide Ammonia Build-Up	May 30

### Regulatory Activities

Codex Alimentarius by H. L. Haller	Sept 58
NACA Opposes USDA Move to Set Registration Fees	Oct. 61
The Pesticide Outlook by George W. Irving Jr.	Dec. 12
Pesticide Registration/New Efficiency in Washington	Apr. 19

## Make your next order Republic Sulphate of Ammonia

Furnished in bulk in both "Krystal" and "Commercial Grades"—both free flowing for easy and complete mixing and blending. The "Krystal" form is highly compatible with the grain sizes of other fertilizer ingredients for more uniform blending.

Orders for both small and large consumers are handled on direct basis from our main office and from producing points in both north and south. Write, wire, or call —

The Fight Against Weeds by Don Campbell	Sept.	49
Herbicide Outlook by K. L. Schulz	May	20
Weed Control In Walnuts	Sept.	69
Weed Control In the Tropics by W. R. Furtick	Nov.	18

Your most economical weedkiller!

## **SODIUM TRICHLOROACETATE (95%)**

low in price, but effective.

Sodium Trichloroacetate for couch grass control, weeds on railroad tracks, treatment on sugar beets and cane etc. NVCP supplies Sodium Trichloroacetate with a 95% concentration in powder and pellet form. Interested? Ask NVCP for details.
